## Assessment regarding thermal insulation material

*The revision concerns change of name of the product.*

### Object

Thermal insulation material tested according to ASTM C871-18, see RISE report 8F015307-4 for detailed information.

### Assignment

The assignment was to evaluate if the material fulfils the chemical demands in ASTM C795-08 section 13.

### Assessment

	ISOVER Robust Takskiva* 3517710011
Fulfils the demands in ASTM C795-08 section 13	Yes

\* According to client.
